

# Parent/Student Viewing Transportation Information

Parents and students are able to view transportation information in the Focus portal.

## Parent View

Parents should select **Child Info** from the left menu under their child's name. They can then select **Transportation** to view their child's information. See Figure 1.

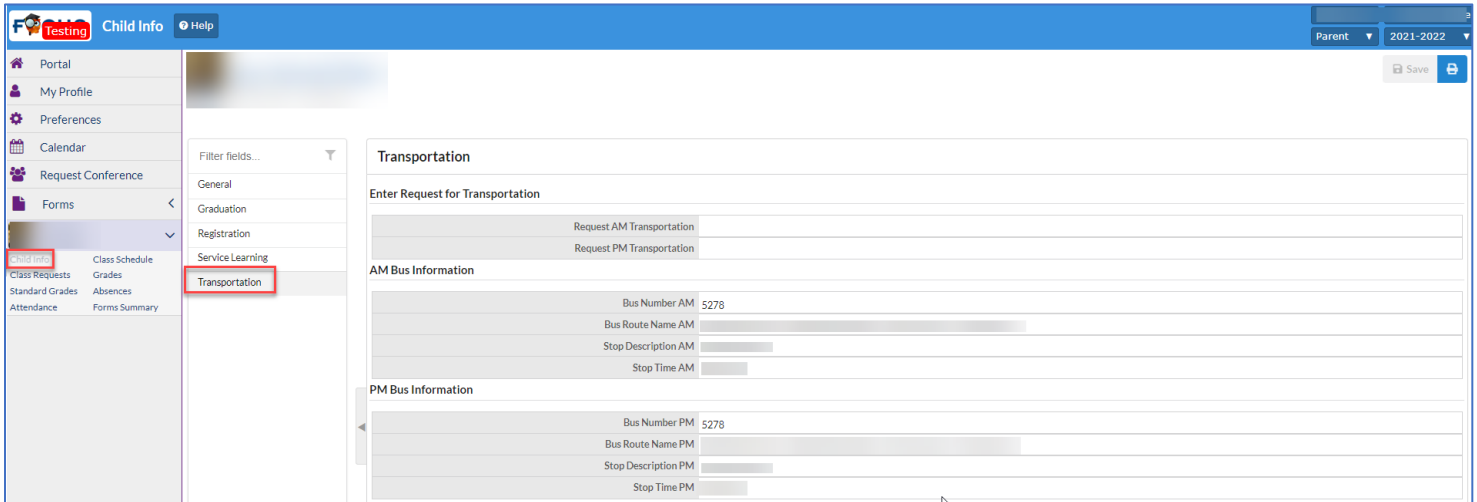

Figure 1

## Student View

Students can select **My Information** from the left-hand menu, then select **Transportation** to view their information. See Figure 2.
